

Keep The Music Going On

Words & Music:: Askew/Marz

Sung by Inga Rumpf (Atlantis)

I ain't got much to show
I ain't got much to spend
Don't spend my time pretending
There's no point, my friend

I've gotta a whole lotta
Sunshine and rain
And I've got the music
To keep me insane

Like the wind is blowing
Better keep going on

Can't you feel the music's coming on strong

Like the rivers flowing
Better keep going on

Don't matter where it's coming from
I had good times and I had bad times
Like the wind is blowing and the river's flowing
Got to keep the music going on
