

Living In A Madhouse

Words & Music: Rumpf/Müller/Kravetz

Publisher: Antenna /Universal

Sometimes we're up
Sometimes we're down
Sometimes we laugh
Sometimes we frown
We're living in a madhouse

Maybe we're cold
Maybe we're hot
Maybe we move
Maybe we stop
We're living in a madhouse

Oh, it's good to see you by my side
That's real good news
In this place there's only one way out
Let's dance and shout

We're living in a madhouse
We're living in a madhouse

Sometimes we wish
Sometimes we get
Sometimes we hold
Sometimes we let
We're living in a madhouse

Maybe we're rich
Maybe we're poor
Maybe we hurt
Maybe we cure
We're living in a madhouse

Ooh, come on, baby, dance with me
I wanna feel you by my side
Ooh, come on...
