

Take My Hand, Precious Lord

Words & Music: Tommy Dorsey

When my way groweth drear
Precious Lord linger near
When my way is almost gone

Hear my cry - hear my call
Hold my hand - lest I fall
Take my hand Precious Lord
Lead me home

Precious Lord, take my hand
Lead me on, let me stand
I am weak, I am tired, I am worn

Through the storm , through the night
Lead me on to the light
Take my hand, Precious Lord
Lead me home

Oh, brother take my hand
Oh, sister take my hand

Oh, brother take my hand
Oh, sister take my hand

Through the storm , through the night
Lead me on to the light

Take my hand, Precious Lord
Lead me home
