

## Love Is Gold

Words & Music: Inga Rumpf/Niko Müller  
Publisher: Nullviernull/Baerensong

High is the heaven  
Deep is the sea  
Close are the words when you talk to me

I reached out for money  
I reached out for fame  
You are the way to my claim

Love is faith (yes, it is)  
Love is peace  
Love is gold  
You can find in your heart

One is a number  
Two are a pair  
I found the world is round everywhere

Red is my passion  
Black is my pain  
You are the way to my claim

Love is faith (yes, it is)  
Love is peace  
Love is gold  
You can find in your heart
