

NEVER TOO LATE

Words & Music: Inga Rumpf

Mmmh...

Don't you wait here any longer, even one more day
I tell you, there's no reason, no excuse to stay
Now or never I've always been told
It's never too late, you're never too old

Better late than never, go with the flow
Don't trust old ways, and the devil you know
There's always a new door, opens up for you
Don't hesitate and walk right through

Say what you mean and mean what you say
If there's a will, then there's a way
Out of sight is out of soul
It's never too late, you're never too old

There are ancient sayings that real life wrote
If you're not sure just rely on a quote
Don't look back, time doesn't wait
You're never too old, it's never too late!
