

## THE BEST THING I KNOW

Words & Music: Inga Rumpf

Love is the best thing I know, yes it is  
Love is a sweet thing I want, yes I do  
I'm never lonesome  
When we're apart  
I don't feel alone  
'Cause you're in my heart

Woke up this morning  
With this song on my lips  
Walked down the alley  
Shaking my hips

People have mercy  
They treat me so kind  
You make me happy  
I'm feeling so fine

Love is the best thing I know, yes it is  
Love is a sweet thing I want, yes I do  
I'm never lonesome  
When we're apart  
I don't feel alone  
'Cause you're in my heart

Dreaming at night  
With this song in my soul  
Foes can't touch me  
They just moan and growl

Glorious angels  
They leading me high  
And when I wake up  
I know why

Love is the best thing I know, yes it is  
Love is a sweet thing I want, yes I do  
I'm never lonesome  
When we're apart  
I don't feel alone  
'Cause you're in my heart
